Integrated downlighters

Easily customised

Infopanel is the key to great looking exterior directories. It's as versatile as you need it to be.

The system's robust, extruded aluminium posts, poles and panels combine to provide exterior directory signs with real presence. Free-standing or wall-mounted, any number of 'looks' can be achieved using Infopanel decorative post caps and corner components. You can even illuminate your exterior directories with Infopanel Luminaire. InfopanelEdge and Brace components allow custom panels of any size to be used, adding even greater impact to your exterior signs.
